**BEFORE THE NEVADA COMMISSION ON ETHICS**

In the Matter of the Request for Opinion  
Concerning the Conduct of BOB LOUX,  
Executive Director,  
Office of Nuclear Projects,  
State of Nevada,

**Request for Opinion No. 08-57C**

Subject.  
\_\_\_\_\_ /

**ORDER GRANTING CONTINUANCE**

Pursuant to Nevada Administrative Code 281A.455, on December 12, 2008, the Subject Bob Loux filed a Petition to Continue Hearing. The Nevada Commission on Ethics is scheduled to hear this matter on **January 8, 2009**.

Loux argues that he needs more time: 1) to interview witnesses that he recently learned about; 2) the audit has not been completed on the allegations; 3) complex legal issues need to be briefed, so additional research needs to be undertaken and completed; 4) the holiday season will make completing the legal work more difficult. Loux states he makes this motion not for delay but in a good faith effort to complete his defense. He seeks a delay until the March 12, 2009 Ethics Commission's meeting.

The Executive Director, having read the Petition and considered the facts and argument, GRANTS the Petition to Continue Hearing until March 12, 2009 at 9 a.m. The Hearing will be held on all the allegations contained in the Notice of Hearing and Panel Determination dated November 19, 2008.

DATED: December 15, 2008 Patricia D. Cafferata  
Patricia D. Cafferata, Esq.  
Executive Director
